ADDITIONAL WARRANTIES

Pre-Installation Warranty On All Pinnacle Collection Floors

Hartco warrants to the original purchaser that each of these products meet our quality standards. You and/or your installer should carefully inspect the material before installation. Any uncut pieces that appear to have defects should be returned to the original place of purchase and those pieces that do not meet our specifications will be replaced at no cost to you. Further, this warranty provision is void upon installation of the flooring.

ADDITIONAL WARRANTIES EXCLUSIVE TO ENGINEERED FLOORS

Hartco engineered flooring is constructed of an odd number of plies so that each alternating layer runs at a 90 degree angle with the adjacent layer. This cross-grained construction provides increased dimensional stability to the flooring. Because of the unique advantages of this type of construction, Hartco provides to the original purchaser the following specific benefits for engineered floorings as long as you own your home or the commercial flooring.

- Installations must be performed in accordance with all Hartco installation instructions.
- It is the responsibility of the installer and/or the owner to inspect boards prior to installation. Hartco accepts no responsibility for costs of product or labor when boards with visible defects have been installed.
